SUBJECT INDEX

A

Abortion
  in Japan, 31
Absolutism
  European states in period of functional analysis of, 252-56
Access
  construction/assumption of authority and, 76-77
Acquired immune deficiency syndrome (AIDS)
  global epidemic of, 89
  sexual behavior and, 103
Address terms
  affective dimension of, 422-23
Adjacency pair framework
  conversation analysis and, 287-88
Aedes aegypti
  dengue fever transmission and, 108
Affect
  defined, 421
  language and gender and, 434-35
  language and social situation and, 431-34
  language and social structure and, 435-37
  language socialization and, 420
  linguistic behavior and, 419-20
  locus in language, 421-28
  modality and, 432-33
  nonverbal aspects of, 421
Affective meaning
  semiotic status of, 428-30
Africa
  development projects in
    infectious disease and, 97-98
  sub-Saharan
    sexually transmitted disease transmission in, 102-3
    transmission of AIDS in, 103
  urban ethnography in, 165-67
African Americans
  urban ethnography of, 158
African famines, 353-82
  causes of, 358-61
  cultural economy and, 381-82
  ethnography and, 355
  interventions for, 375-80
  prevention of, 363-72
  societal effects of, 372-75
  theories of, 355-58
  victims of, 361-62
African trypanosomiasis
  brush removal and, 105
Age
  famine and, 362
Agriculture
  in New Guinea Highlands, 395-411
AIDS
  See Acquired immune deficiency syndrome
Algonquian language
  subgrouping in, 320
Alterity theory, 132
American Indian languages, 309-27
  diachrony and, 319-25
  language contact in, 317-18
  referential alternatives in, 311-13
  referential devices in, 313
  registers in, 314-16
  rhetorical structure in, 316-17
  voice in, 313-14
Analogy
  human cultures and, 191
Animal husbandry
  P2 allele of P blood group system and, 92
Anopheles gambiae
  Plasmodium falciparum malaria and, 92
Anthropology
  built environment in, 457
  cultural, 10-11
  dialogic, 71
  evolutionary, 122
  functional analysis in, 243-59
  historical, 122
  legal, 154
  linguistic, 73, 78, 295, 420-21
  Marxism and, 11-12
  medical
    infectious disease research in, 108-10
  problem of origins in, 2-3
  sociocultural, 408
  urban, 40, 151-76
Apartheid, 6
Arboviral infection
  behavioral risk factors for, 100
Architectural semiotics, 471
Architecture
  Mehrgarh, 265
  See also Built environment
Arctic Norway
  Norse settlement of, 336
Arizona Tewa language
  negation and subordination in, 319
Artemisinin
  malaria and, 106
Asia
  urban ethnography in, 167-73
Authority
  construction and assumption of
    factors in, 76-77
Axe-stone quarrying
  in New Guinea Highlands, 403-5

B

Bali
  divine kings in, 127
Bangladesh
  seasonality of births in, 234
Bauman, Richard, 59-80
Bernardi, Bernardo, 1-14
Besnier, Niko, 419-39
Biomedicine, 90
Birth control
  in Japan, 31
Birth spacing
  models of, 224-32
  natural fertility and, 212-13
Brazil
  infant diarrhea in
    folk beliefs and, 104
Briggs, Charles L., 59-80
Brown, Peter J., 89-110
Built environment, 453-93
  defined, 454
  early theories of, 456-60
  ethnoarchaeological studies of, 462-64
  ethnosemantic approaches to, 481
  household studies of, 461
  metaphor and, 471-74

phenomenological perspectives on, 475-76
psychocultural approaches to, 477-81
psychologies of, 476-81
psychosymbolic approaches to, 477
ritual and, 474-75
social organization and, 460-65
social production of, 482-91
structuralism and, 467-71
structuration and, 489-90
symbolic studies of, 466-76
social, 466-67
Built forms
defined, 454
group life-style and, 458-59
Byzantine Empire
functional analysis of, 252-56

C

California Indian languages
sibilants in, 317
Caliphates Empire
functional analysis of, 252-56
Cannibalism
kuru and, 100
Capitalism
built environment and, 465
Cargo cults, 129-36
Caribbean
urban ethnography in, 161-63
Carnival, 136-39
Cash cropping
African famines and, 359-60
Cassava
consumption of
malaria and, 106
Catawba language
grouping of, 322
Central Alaskan Yupik Eskimo language
rhetorical structure in, 317
Central America
resurgence of malaria in
increased pesticide use and, 98
Central-place analysis
geography and, 40
Central-place hierarchy
development in Valley of Oaxaca, 43-52
Central Pomo language
full noun phrases in, 312
language obsolescence and, 318
Ceremonial exchange networks in New Guinea Highlands, 398
Ceylon
hookworm elimination program in
failure of, 108
Charisma
divine kingship and, 127
Cherokee language
literary tradition of, 315
China
cholera vaccination program in, 107
late preindustrial
urbanization index for, 46
transmission of hookworm in, 96
Chinese Empire
functional analysis of, 252-56
Chipewyan language
variations in, 318
Cholera, 95
1940s vaccination program in China and, 107
transmission of
human behavior and, 99
Christian missionaries
cultural background of, 1-2
Clauses
transitivity valency of, 425
Code switching, 63
affective connotation and, 426, 438
Coincidence
human cultures and, 191
Colombia
colonial terror and curative shamanism in, 131
Colonialism
architecture of, 486-87
Commodity fetishism, 131
Competence
construction/assumption of authority and, 77
Complex societies
development of, 39-55
Connotation
defined, 422
Context
concept of
problems in, 68
Contextualization, 66-72
Conversation analysis, 63, 283-302
context in, 291-96
context, sequence, and understanding in, 287-91
development of, 284-87
preference and politeness in, 296-98
relevance and, 295-96
stories and, 298-300
Copan
population density in, 45
Cosmology
built environment and, 473
Crop storage
famine prevention and, 367-68
Cultural adaptation
malaria and, 100-1
Cultural anthropology, 10-11
built environment in, 457
Cultural economy
African famine and, 381-82
Cultural evolution, 188-89
main forces in, 198-202
Cultural myth
built environment and, 473
Cultural transformation
infectious disease and, 89
Curses
affective meaning of, 424
Cystic fibrosis
recessive gene for resistance to tuberculosis and, 92

D

Decontextualization, 72-78
Dengue fever
local perceptions of, 108
Diachrony
American Indian languages and, 319-25
Dialogic anthropology, 71
Dialogism, 78
Diarrhea
folk beliefs and, 104
Diffusionism, 3
Diphtheria
immunization program in Thailand, 107
Discourse
affective dimensions in, 426
reflexive capacity of, 73
Discourse analysis
ilocutionary force and, 62-63
Discourse identities, 293
Disease ecology, 95-97
research examples in, 97-98
Divine kings
rituals of, 122-29
Dogs
companion
echinococcosis and, 101
Dominican Republic
dengue fever in
local perceptions of, 108
Dracunculiasis
contaminated water and, 104-5
Durham, William H., 187-203

E

East Asia
urban ethnography in, 169-72
Eastern Algonquian language
subordinative mode of, 319
Eastern Pomo language
rhetorical structure in, 317
Echinococcosis
companion dogs and, 101
Egypt
trachoma in, 106
Eisenstadt, S. N., 243-59
Elderly
famine and, 362
El Niño/Southern Oscillation phenomenon, 405
E-mail
emotional texture of, 433
Emoticons, 433
Emotion
defined, 421
England
late preindustrial urbanization index for, 46
urban social anthropology of, 163
English language
evidential meaning in, 424
raising rules in, 425
Entextualization, 72-78
Epidemics
expansion of empires and, 95
Eskimo society
built environment and, 456-57
Ethiopia
spread of schistosomiasis in, 98
Ethnic prejudice
descriptors for immigrants and, 422
Ethnoarchaeology
built environment and, 462-64
Ethnography
African famines and, 355
urban, 155-74
Ethnology, 3, 10-11
Ethnopharmacopoeias
native
malaria and, 106
Ethnopoetics, 76
Europe
urban ethnography in, 163-65
Event history analysis, 226
Evidentiality
affective connotation of, 424
Evolution
cultural, 188-89
main forces in, 198-202
infectious disease and, 89
organic, 188
Evolutionary anthropology, 122
Evolutionary culture theory, 187-203
differentiation in, 194-95
transformation in, 195-96
Exchange systems
in New Guinea Highlands, 398, 403-5, 407-8
Exclamations
affective meaning of, 424
Expletives
affective meaning of, 424

F

False objectivity
concept of context and, 68
Famines
African, 353-82
causes of, 358-61
cultural economy and, 381-82
ethnography and, 355
interventions for, 375-80
prevention of, 363-72
societal effects of, 372-75
theories of, 355-58
victims of, 361-62
Farming
diversification in
famine prevention and, 366
Faroe Islands
Norse settlement of, 338-39
Fava beans
consumption of
resistance to malaria and, 92
Fecundability, 220
Feelings
defined, 421
Feminism
central theme of, 18
See also Women
Fertility, 211-36
natural, 212-14
Bongaarts decomposition and, 220-24
maternal nutrition and, 234
mortality and, 233-34
observed patterns of, 214-17
polygyny and, 235
proximate determinants of, 217-20
reproductive senescence and, 235-36
seasonality of, 234
Fiji
divine-kingship society in, 123
Fiji Indian society
anger-like emotions in, 434
Filariasis
transmission of
behavioral factors in, 100
Folk beliefs
diarrhea and, 104
Folklore
as mode of communicative action, 79
Food substitution
famine prevention and, 369-70
Frame analysis
entextualization in performance and, 74
France
late preindustrial urbanization index for, 46
Functional analysis, 243-59
basic assumptions of, 243-46
criticisms of, 246-48
discarding of, 249-50
reassessment of, 251-56
reemergence of, 250-51
Functionalism, 7

G

Gender
built environment and, 465
famine and, 362
language and affect and, 434-35
as relational concept, 17-18
Geography
evolution of hierarchy and, 40
Ghana
dracunculiasis in, 105
Glucose-6-phosphate dehydrogenase deficiency
resistance to malaria and, 92
Golson, J., 395-413
Gonorrhea
transmission of
rural-to-urban migration/prostitution and, 102-3
Goodwin, Charles, 283-302
Greenland
Norse settlement of, 341-43
Group life-style
built forms and, 458-59
Guinea worm disease
contaminated water and, 104-5

H

Habitus
defined, 469
Harappan Civilization
formation of
ideology and, 278-79

village farming tradition of, 261-62
Harappan script
evolution of, 273
Hausa
malaria and, 105-6
trypanosomiasis and, 105
Hawaiian dying god, 133
Hazards analysis, 226
Helminthiases
paleopathology and, 93
Hemoglobin S
resistance to malaria and, 91
Hepatitis B surface antigen
transmission of, 92
Hepatitis B vaccine
development of, 92
Heritage, John, 283-302
Historical anthropology, 122
Historicism, 2-3
History
problem of origins in, 2-3
HIV
See Human immunodeficiency virus
Homology
human cultures and, 191
Honduras
diarrhea in
folk beliefs and, 104
Hookworm
elimination program in Ceylon
failure of, 108
transmission in China, 96
Human behavior
infectious disease transmission and, 98-103
sexually transmitted diseases and, 102-3
spatial dimensions of, 479-80
Human development
spatial environment and, 477
Human immunodeficiency virus (HIV)
transmission of, 103
Human reality
paradox of, 1
Human sociobiology, 193
Hunter-gatherers
contemporary
disease patterns extrapolated into past, 93-94
fertility control among, 213
in Valley of Oaxaca, 42
Hupa language
rhetorical structure in, 317
Hydatid disease
companion dogs and, 101

I

Iceland
Norse settlement of, 339-41
Idealism, 3
Ideophones
affective meaning of, 423-24
Ilocutionary force
discourse analysis and, 62-63
genre and, 63-64
parallelism and, 63
speech act theory and, 62
Ilongot society
anger-like emotions in, 434
Imprecations
affective meaning of, 424
Inclusiveness
concept of context and, 68
India
resurgence of malaria in
increased pesticide use and, 98
Individual actions
cultural context and, 2
Indus Civilization
cultural homogeneity of, 273-74
social differentiation in, 272
village farming tradition of, 261-62
Indus urbanization, 261-79
cultural change and, 276-79
prehistoric backdrop to, 264-66
shift from pre-urban to urban phase in, 266-74
Infant mortality
infectious disease and, 89
Infectious disease
anthropology of, 89-110
biological approaches to, 91-95
control programs for
local responses to, 106-8
ecological approaches to, 95-98
etiology, diagnosis, and cure of
ethnomedical beliefs and, 103-6
macroevolutionary studies of, 93-95
microevolutionary studies of, 91-92
research in
medical anthropology and, 108-10
sociocultural approaches to, 98-108
transmission of
human behavior and, 98-103
Inflectional morphology
affective meaning and, 424
Inhorn, Marcia C., 89-110
Insults
affective meaning of, 424
Interjections
affective meaning of, 424, 428
Intonation
affective interpretation of, 425-26, 429
Ipomoean Revolution, 396, 411

J

Japan
abortion in, 31
birth control in, 31
late preindustrial
urbanization index for, 46
monkey symbolism and rituals in, 132
women in, 17-33
Japanese family
sexuality in, 31
women in, 18-25
Japanese language
evidential meaning in, 424
passive constructions in, 425
Java
pre-Islamic ritual and identity in, 132

K

Kaplan, Martha, 119-41
Karok language
rhetorical structure in, 317
Kashaya language
effects of Russian on, 317
Kelly, John D., 119-41
Kenya
echinococcosis in, 101
Mau Mau rebellion in, 8
Kinship relations
dwelling form and, 464-65
Kinship terms
affective dimension of, 422-23
Kiowa language
full noun phrases and zero anaphora in, 311-12
styles of, 316
Klamath language
topical object marker in, 312
Kowalewski, Stephen A., 39-55
Koyukon Athabaskan language
inverse construction in, 314
Kuman, 408
Kuna language
rhetorical structure in, 317

Kuru
cannibalism and, 100

L

Labels
consequences of, 422
Labor force
Japanese women in, 25
Labor migration
food shortages and, 370
sexually transmitted diseases and, 102-3
Labor movements
rituals in, 125
Lactational infecundability
distribution of, 229-30
Language, 419-39
affect and gender and, 434-35
affect and social situation and, 431-34
affect and social structure and, 435-37

diachrony and, 319-25
language contact in, 317-18
referential alternatives in, 311-13
referential devices in, 313
registers in, 314-16
rhetorical structure in, 316-17
voice in, 313-14
locus of affect in, 421-28
metacommunicative/metapragmatic capacity of, 68-69
ritual, 315
sociocultural context and, 420
Language socialization
affect and, 420
Language use
cultural and interactional context of, 66-67
Latin America
urban ethnography in, 161-63
Laughter
affective meaning of, 427
Lawrence, Denise L., 453-93
Legal anthropology, 154
Legitimacy
construction/assumption of authority and, 76-77
Leprosy
paleopathology and, 93
Lexicon
affect in, 422
Liberia
malaria in
cassava consumption and, 106
Liminality
ritual processes and, 474
Linguistic anthropology, 73, 78, 295, 420-21
Linguistic meaning
components of, 419-20
Linguistic theory
built environment and, 467-68
Linguistic typology
American Indian languages and, 310
Livestock
echinococcosis and, 101
Low, Setha M., 453-93

M

Malaria
control program in Surinam
local resistance to, 108
cultural adaptation and, 100-1
resistance to
sickle-cell trait and, 91-92
resurgence of
increased pesticide use and, 98
spread of
Third World development projects and, 97
traditional medicines and foods and, 105-6
transmission in North Vietnam, 96
Malawi
Watchtower movement in, 131
Malnutrition
infectious disease and, 95
Marriage
American conceptions of cultural metaphor in, 156
Marxism
anthropology and, 11-12
disease ecology and, 97
structural-functional analysis in, 244
Massachusett Indian language
literary tradition of, 315-16
Mass murder
social conditions underlying, 159
Mau Mau rebellion, 8
